DATA BASE OF 62 PRIORITY INDICATORS OF NITI AAYOG

SNO	Goal	Indicator	Indicator Data Source	Computation Approach	Data Period	Number of States/UTs covered	Data Periodicity	Relevant UN Target	Relevant UN Indicator	Relevant MoSPI Indicator	Indicator Interpretation
1	SDG 1 - End poverty in all its forms everywhere	Percentage of population living below National Poverty line	NITI Aayog [Tendulkar Committee Estimates]	Directly from data source	2011-2012	35	Non-Periodic	1.2: By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions	1.2.1: Proportion of population living below the national poverty line, by sex and age	1.1.1: Proportion of population living below the national poverty line	Higher value means lower performance (-)
2	SDG 1 - End poverty in all its forms everywhere	Percentage of households with any usual member covered by any health scheme or health insurance	Ministry of Health and Family Welfare [National Family Health Survey-4]	Directly from data source	2015-16	36	3 Years	1.3: Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable	1.3.1: Proportion of population covered by social protection floors/systems, by sex, distinguishing children, unemployed persons, older persons, persons with disabilities, pregnant women, newborns, work-injury victims and the poor and the vulnerable	1.3.1: Percentage of households with any usual member covered by any health scheme or health insurance	Higher value means higher performance (+)
3	SDG 1 - End poverty in all its forms everywhere	Persons provided employment as a percentage of persons who demanded employment under MGNREGA	Ministry of Rural Development [MGNREGA Progress Report]	(Persons provided employment under MGNREGA)Ã—100/(Persons who demanded employment under MGNREGA)	2017-18	32	Annual	1.3: Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable	1.3.1: Proportion of population covered by social protection floors/systems, by sex, distinguishing children, unemployed persons, older persons, persons with disabilities, pregnant women, newborns, work-injury victims and the poor and the vulnerable	1.3.3: Proportion of the population (out of total eligible population) receiving social protection benefits under Mahatma Gandhi National Rural Employment Guarantee Act (MNREGA)	Higher value means higher performance (+)
4	SDG 1 - End poverty in all its forms everywhere	Proportion of the population (out of total eligible population) receiving social protection benefits under Maternity Benefit (%)	Ministry of Health and Family Welfare [National Family Health Survey-4]	Directly from data source	2015-16	36	3 Years	1.3: Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable	1.3.1: Proportion of population covered by social protection floors/systems, by sex, distinguishing children, unemployed persons, older persons, persons with disabilities, pregnant women, newborns, work-injury victims and the poor and the vulnerable	1.3.5: Proportion of the population (out of total eligible population) receiving social protection benefits under Maternity Benefit	Higher value means higher performance (+)
5	SDG 1 - End poverty in all its forms everywhere	Number of homeless households per 10,000 households	Numerator: Ministry of Rural Development [Socio Economic Caste Census] Denominator: Ministry of Home Affairs [Census 2011]	Number of homeless households per 10,000 households calculated as (Number of homeless households)Ã—10,000/(Total number of households)	2011-12	36	10 Years	1.4: By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance	NA	1.4.4: Proportion of homeless population to total population	Higher value means lower performance (-)

6	SDG 2 - End hunger, achieve food security and improved nutrition and promote sustinable agriculture	Ratio of rural households covered under public distribution system to rural households where monthly income of highest earning member is less than Rs.5,000	Numerator: Planning Commission[Planning Commission estimates based on NSSO Consumption Expenditure Survey data] Denominator: Ministry of Home Affairs[SECC]	(Percentage of rural households covered under PDS)/(Proportion of rural households where monthly income of highest earning member is less than Rs.5,000)	2011-12	36	10 Years	2.1: By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round	2.1.2: Prevalence of moderate or severe food insecurity in the population, based on the Food Insecurity Experience Scale (FIES)	2.1.2: Proportion of Population (marginalized and vulnerable) with access to food grains at subsidized prices	Higher value means higher performance (+)
7	SDG 2 - End hunger, achieve food security and improved nutrition and promote sustinable agriculture	Percentage of children under age 5 years who are stunted	Ministry of Health and Family Welfare [National Family Health Survey-4]	Directly from data source	2015-16	36	3 Years	2.2: By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons	2.2.1: Prevalence of stunting (height for age <-2 standard deviation from the median of the World Health Organization (WHO) Child Growth Standards) among children under 5 years of age	2.2.1: Percentage of Children under age 5 years who are stunted	Higher value means lower performance (-)
8	SDG 2 - End hunger, achieve food security and improved nutrition and promote sustinable agriculture	Percentage of pregnant women aged 15-49 years who are anaemic (11.0g/dl)(%)	Ministry of Health and Family Welfare [National Family Health Survey-4]	Directly from data source	2015-16	34	3 Years	2.2: By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons	NA	2.2.4: Percentage of Pregnant women age 15-49 years who are anaemic (<11.0g/dl)	Higher value means lower performance (-)
9	SDG 2 - End hunger, achieve food security and improved nutrition and promote sustinable agriculture	Rice, wheat and coarse cereals produced annually per unit area (Kg/Ha)	Ministry of Agriculture and Farmers Welfare [Ministry Reports]	(Total weight of rice,wheat and coarse cereals produced annually)/(Total agricultural area under rice,wheat and coarse cereals)	2015-16	36	Annual	2.3: By 2030, double the agricultural productivity and incomes of small-scale food producers, in particular women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment	2.3.1: Volume of production per labour unit by classes of farming/pastoral/forestry enterprise size	2.3.1: Agriculture productivity of Wheat and Rice (Yield per hectare)	Higher value means higher performance (+)
10	SDG 3: Ensure Healthy Lives and Well-Being for all at all ages	Maternal Mortality Ratio	Ministry of Home Affairs [Sample Registration System]	Directly from data source	2014-16	19	3 Years	3.1: By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births	3.1.1: Maternal mortality ratio	3.1.1: Maternal mortality ratio	Higher value means lower performance (-)

DATA BASE OF 62 PRIORITY INDICATORS OF NITI AAYOG

16	SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all	Percentage correct responses on Learning Outcomes in Language, Mathematics and EVS for Class 5 students	Ministry of Human Resource Development-National Council of Educational Research and Training [National Achievement Survey 2017]	Directly from data source	2016-17	36	2 Years	4.1: By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes	4.1.1: Proportion of children and young people: (a) in grades 2/3; (b) at the end of primary; and (c) at the end of lower secondary achieving at least a minimum proficiency level in (i) reading and (ii) mathematics, by sex	4.1.4: Percentage of students in grade 3, 5, 8 and 10 achieving at least a minimum proficiency level in terms of nationally defined learning outcomes to be attained by pupils at the end of each of above grades	Higher value means higher performance (+)
17	SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all	Percentage correct responses on Learning Outcomes in Language, Mathematics, Science and Social Science for Class 8 students	Ministry of Human Resource Development-National Council of Educational Research and Training [National Achievement Survey]	Directly from data source	2016-17	36	2 Years	4.1: By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes	4.1.1: Proportion of children and young people: (a) in grades 2/3; (b) at the end of primary; and (c) at the end of lower secondary achieving at least a minimum proficiency level in (i) reading and (ii) mathematics, by sex	4.1.4: Percentage of students in grade 3, 5, 8 and 10 achieving at least a minimum proficiency level in terms of nationally defined learning outcomes to be attained by pupils at the end of each of above grades	Higher value means higher performance (+)
18	SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all	Percentage of children in the age group of 6-13 who are out of school	Ministry of Human Resource Development-Social & Rural Research institute [National Sample Survey of Estimation of out-of-School]	Directly from data source	2014	34	4 Years	4.1: By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes	NA	4.1.7: Out of school ratio (primary, upper primary, elementary, secondary and higher secondary)	Higher value means lower performance (-)
19	SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all	Average Annual Drop-out rate at secondary level (%)	Ministry of Human Resource Development [Ministry Reports]	Directly from data source	2015-16	35	2 Years	4.1: By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes	NA	NA	Higher value means lower performance (-)
20	SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all	Percentage of school teachers professionally qualified	National Institute of Education Planning and Implementation [Unified-District Information System for Education]	Directly from data source	2016-17	36	2 Years	4.c: By 2030, substantially increase the supply of qualified teachers, including through international cooperation for teacher training in developing countries, especially least developed countries and small island developing States	4.c.1: Proportion of teachers in: (a) pre-primary; (b) primary; (c) lower secondary; and (d) upper secondary education who have received at least the minimum organized teacher training (e.g. pedagogical training) pre-service or in-service required for teaching at the relevant level in a given country	4.c.1: Proportion of trained teachers, by education level (pre-primary, primary, upper primary, elementary, secondary and higher secondary education)	Higher value means higher performance (+)

DATA BASE OF 62 PRIORITY INDICATORS OF NITI AAYOG

SNO	Goal	Indicator	Indicator Data Source	Computation Approach	Data Period	Number of States/UTs covered	Data Periodicity	Relevant UN Target	Relevant UN Indicator	Relevant MoSPI Indicator	Indicator Interpretation
21	SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all	Percentage of elementary and secondary schools with Pupil Teacher Ratio less than/equal to 30	National Institute of Education Planning and Implementation [Unified-District Information System for Education]	Directly from data source	2016-17	36	2 Years	4.c: By 2030, substantially increase the supply of qualified teachers, including through international cooperation for teacher training in developing countries, especially least developed countries and small island developing States	NA	4.c.2: Pupil/trained teacher ratio by education level	Higher value means higher performance (+)
22	SDG 5: Achieve gender equality and empower all women and girls	Sex Ratio at Birth (female per 1000 male)	Ministry of Home Affairs-ORGI [Sample Registration System]	Directly from data source	2014-16	22	3 Years	5.1: End all forms of discrimination against all women and girls everywhere	NA	5.1.3: Sex Ratio at Birth	Higher value means higher performance (+)
23	SDG 5: Achieve gender equality and empower all women and girls	Average female to male ratio of average wages/salaries received per day by regular wage/salaried employees of age 15-59 for rural and urban	Ministry of Statistics and Programme Implementation [Employment and Unemployment Situation in India, National Sample Survey 68th round]	Average of urban and rural wages/salaries received per day by regular wages/salaried employees of age 15-59 was calculated for females and males. Using these, ratio was computed as follows (Average female wages/salaries received per day)/(Average male wages/salaries received per day)	2011-12	35	5 Years	5.1: End all forms of discrimination against all women and girls everywhere	NA	NA	Higher value means higher performance (+)
24	SDG 5: Achieve gender equality and empower all women and girls	Percentage of ever married women aged 15-49 who have ever experienced spousal violence	Ministry of Health and Family Welfare [National Family Health Survey-4]	Directly from data source	2015-16	36	3 Years	5.2: Eliminate all forms of violence against all women and girls in the public and private spheres, including trafficking and sexual and other types of exploitation	5.2.1: Proportion of ever-partnered women and girls aged 15 years and older subjected to physical, sexual or psychological violence by a current or former intimate partner in the previous 12 months, by form of violence and by age	5.2.3: Proportion of cruelty/ physical violence on women by husband or his relative to total crime against women during the calendar year	Higher value means lower performance (-)
25	SDG 5: Achieve gender equality and empower all women and girls	Percentage of seats won by women in the general elections to state legislative assembly	Election Commission of India [Electoral Statistics Document]	Directly from data source	2016-17	30	Annual	5.5: Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life	5.5.1: Proportion of seats held by women in (a) national parliaments and (b) local governments	5.5.1: Proportion of seats held by women in national parliament, State Legislation and Local Self Government	Higher value means Higher performance (+)

26	SDG 5: Achieve gender equality and empower all women and girls	Ratio of Female Labour force participation rate to Male Labour force participation rate	Labour Bureau [Labour Bureau Report]	(Female Labour force participation rate)/(Male Labour force participation rate)	2015-16	35	Annual	5.5: Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life	NA	NA	Higher value means higher performance (+)
27	SDG 5: Achieve gender equality and empower all women and girls	Percentage of women in the age group of 15-49 years using modern methods of family planning	Ministry of Health and Family Welfare [National Family Health Survey-4]	Directly from data source	2015-16	36	3 Years	5.6: Ensure universal access to sexual and reproductive health and reproductive rights as agreed in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Platform for Action and the outcome documents of their review conferences	5.6.1: Proportion of women aged 15-49 years who make their own informed decisions regarding sexual relations, contraceptive use and reproductive health care	5.6.1: Percentage of Currently married women (15-49 years) who use modern methods of family planning	Higher value means higher performance (+)
28	SDG 6: Ensure availability and sustainable management of water and sanitation for all	Percentage of population having safe and adequate drinking water in rural areas	Ministry of Drinking Water and Sanitation [National Rural Drinking Water Programme]	Directly from data source	2018	31	Annual	6.1: By 2030, achieve universal and equitable access to safe and affordable drinking water for all	6.1.1: Proportion of population using safely managed drinking water services	6.1.1: Percentage of population having safe and adequate drinking water within their premises.	Higher value means higher performance (+)
29	SDG 6: Ensure availability and sustainable management of water and sanitation for all	Percentage of rural households with individual household toilets	Ministry of Drinking water and Sanitation [Swachh Bharat Mission Gramin - Dashboard]	Directly from data source	Mar-18	34	Daily	6.2: By 2030, achieve access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations	6.2.1: Proportion of population using safely managed sanitation services, including a hand-washing facility with soap and water	6.2.1: Proportion of households having access to toilet facility (Urban & Rural)	Higher value means higher performance (+)
30	SDG 6: Ensure availability and sustainable management of water and sanitation for all	Percentage of districts verified to be Open Defecation Free	Ministry of Housing and Urban Affairs [Swachh Bharat Mission Urban – Dashboard]	Directly from data source	Mar-18	34	Daily	6.2: By 2030, achieve access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations	NA	6.2.2: Percentage of Districts achieving Open Defecation Free (ODF) target.	Higher value means higher performance (+)
31	SDG 6: Ensure availability and sustainable management of water and sanitation for all	Installed sewage treatment capacity as a proportion of sewage generated in urban areas (%)	Ministry of Environment, Forest and Climate Change [Lok Sabha Unstarred Question 1723]	Directly from data source	2016	29	Non-Periodic	6.2: By 2030, achieve access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations	NA	NA	Higher value means higher performance (+)
